

HIGHLIGHTED FEATURES

- All Aluminum Construction
- 3 Built In Storage Compartments
- 1 Compartment Dedicated To Power Pack For Easy Access And Maintenance
- LED Stop/Turn/Tail Lights
- Easy To Install

The Unibody Box Delete is a unique design featuring an all-aluminium body, enhanced with integrated storage compartments and conventional features such as fold down sides and a two-way tailgate.

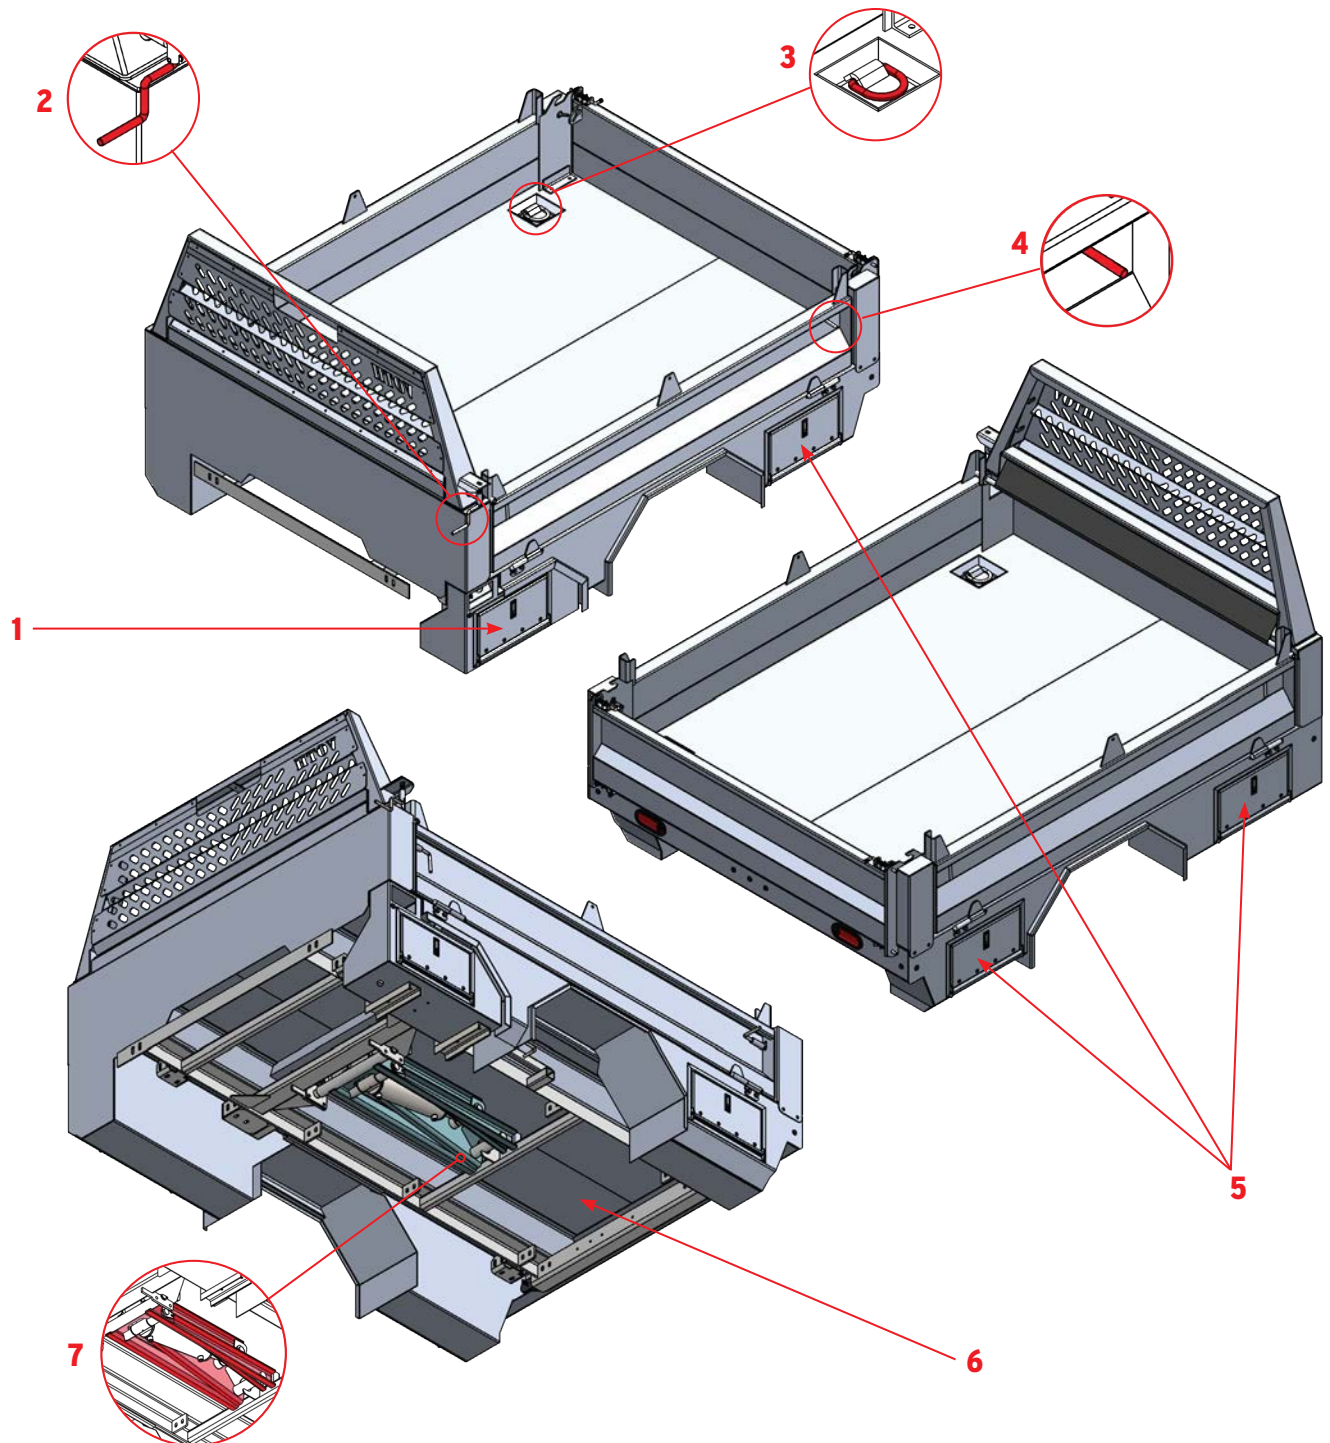

This design combines durability and utility while is purposefully optimizing payload capacity for pick up trucks.

Projected Payload – F250 / F350 Gas – 1539 lbs to 2,101 lbs.
