Stake Racks / Sides

Stake sides, or stake racks, are removable panels fitted into pockets on flatbed trucks or trailers to secure and contain cargo.

Ladder

Built-in ladders on flat deck trucks provide convenient and safe access to the truck bed for loading, unloading, or securing cargo.

Toolboxes

Built-in tradesman toolboxes on flat deck trucks offer secure, weather-resistant storage for tools and equipment.

Hitchhiker

Hitchhiker Decks are durable, steel-built platforms designed for easy, secure transport of equipment and tools.
